

A better world for women and girls is a better world for all.

Here's what we stand for:

1. ENDING VIOLENCE AGAINST WOMEN

Violence against women and girls is one of the most pervasive human rights violations and a global threat affecting millions. We address this issue through our ongoing local and global projects and programs, partnerships and our Zonta Says NO to Violence Against Women campaign.

2. CLIMATE JUSTICE

Climate change disproportionately affects women and girls. Zonta takes action from a gender equality perspective with our projects and our Zonta Says NOW to gender-equal climate action campaign.

3. WOMEN IN DECISION-MAKING

Gender inequalities are deeply rooted into every society. Zonta advocates for gender equality and continues to fight to empower women and provide them opportunities to live on an equal basis as men through local and global projects and programs.

4. EDUCATION EQUITY

Zonta has a dedicated history of investing in the education of women and girls through our four education programs and international service projects that include education as key strategies.

THE WORLD WE ENVISION

WOMEN'S RIGHTS ARE HUMAN RIGHTS

WOMEN HAVE EQUAL ACCESS TO RESOURCES

NO WOMAN LIVES IN FEAR OF VIOLENCE
